

CINDER REACH

PRINTABLE CARDS

- 63 cards: 10 starter, 23 Reach, 6 worlds, 10 crises, 4 Outposts, 8 Unrest, 2 reference aids.
- Trim size is poker, 2.5 x 3.5 inches. Sleeve in standard poker sleeves.
- Print landscape, actual size (100%). Do not use fit-to-page or shrink-to-fit.
- Cut on the corner ticks. Cards share edges, so one cut separates neighbors.
- Card stock around 80-110 lb is enough. Paper plus a sleeved playing card also works.
- Pages after this one are paired: a front, then its back. Duplex, flip on the long edge.
- Back columns are already mirrored for that flip. Do not mirror them again.
- Keep the two AID cards out of the decks. They are the cycle and the win line.
- Starter, Outpost, and Unrest begin in their own piles. Shuffle Reach, worlds, and crises.
